

AI Touch

Digital Solutions for Small & Medium Business

Founder: Dr. Njasik Touch

Background:

- 30+ years in medicine in Germany
- Currently based in California, USA
- Works in Russian, German and English

Services:

- Landing Pages
- Web Applications
- AI Assistants
- Business Automation

Portfolio:

- Dental Emergency Assistant
- America Next Step
- AI Copywriter Bot
- AI Content Strategy Assistant
- Coffee Shop Mobile Ordering

Current challenge:

Choosing the right niche for commercial scaling:

1. AI solutions for clinics
2. AI assistants for SMBs
3. Local business automation in the USA

Goal:

Get first paying clients and build AI Touch into a digital product studio for small and medium-sized businesses.
